Celebrating 52 Summers

It's our 52nd year of free camping in the books! It truly was a blessed year! So many smiles, giggles and fun with all the children that came this year. And best of all, lives given to our Lord and Savior Jesus Christ.

Great things He has done

So many great things this year: an amazing hard working staff, great lifeguards, a new slide in the playground, an upgraded and fun carnival, the cement entry to the pool and around the pool evened and fixed, and the beginnings of a new confidence course which will be usable for next year's campers! That is just to name a few.

The Lord brought us a great staff director who worked so hard and brought her amazing organizational skills with her.
We had a wonderful family team do puppet ministry and worship ministry all year as well. The children loved the black light puppets and interacting with them during the lesson. We had very creative crafts this year run by our wonderful craft teacher. All in all, a smooth summer camping season.. All Glory to God!

I love pizza day!

With a heart of thanksgiving

I can't express how thankful and grateful we are to you for your generosity and prayers. So much was done this year for the children and the Lord.

Our insurance bill is due and we have a few other outstanding bills to complete this year. As always, we are booking up for 2026, and looking forward to a few new groups.

We love you, we thank God for you, and we pray for supernatural health and blessings for your family in the Name of Jesus!

Thank you again!! Larry & Joy
